- 1) There are two new elective courses in Block 1 of Y3 of 3 ECTS each. The elective courses are open to all students. Students who are doing the major clinical psychology or the major medical Psychology and choose Qualitative Research or Systematic review as Bachelor's thesis form need to take the corresponding extra course of 3 ECTS during block 1 (424027 Systematic Review or 424028 Qualitative Research) as an elective (this is an entry requirement). Other free elective courses can be taken during block 2 or during your exchange in block 4.
- 2) Write your Thesis in Block 1 and 2 instead of Block 3 and 4. Check the EER or the description in the study guide for the entry requirements for the bachelor's Thesis. Contact the Education Coordinator after the registration of your results of the block 4 courses if you do not fulfill all these requirements.
