

London-Paris-Tilburg Workshop
in
Logic and Philosophy of Science 2

Tilburg, 24.10.2008

Synopsis

This is a series of workshops, which are jointly organized by Roman Frigg (Department of Logic, Methodology and Philosophy of Science, London School of Economics), Jacques Dubucs (Sorbonne and Institut d'Histoire et de Philosophie des Sciences et des Techniques, Paris I / CNRS / ENS) and Stephan Hartmann. There will be two or three workshops per year and their objective is that both members of faculty and research students from all institutions involved as well as guests from outside get together to discuss their recent research.

Organizers: Roman Frigg (LSE), Jacques Dubucs (University of Paris), Stephan Hartmann (Tilburg University)

Keynote Speakers

Jochen Apel (University of Heidelberg and TiLPS), Bengt Autzen (LSE), Foad Dizadji-Bahmani (LSE), Isabelle Drouet (IHPST, Paris), Arantxa San Gines Ruiz (IHPST, Paris), Jonah Schupbach (University of Pittsburgh and TiLPS)
