

Program schedule live sessions

Online Bachelor's Open day
February 27, 2021

During the Online Bachelor's Open day, you can participate in live sessions of all Bachelor's programs. The live sessions are given by teachers and/or students. Each live session lasts 30 minutes and offers you the opportunity to ask your questions via a Q&A button.

Check out the schedule with all the live sessions here. As soon as you have registered for the Online Open day, you can choose which live sessions you want to participate in and create your personal schedule.
