

## ADDENDUM TO THE EDUCATION AND EXAMINATION REGULATIONS 2021–2022 BACHELOR'S PROGRAMS TSHD

### 1. Applicability of the Addendum

This addendum is a supplement to the 2021-2022 Education and Examination Regulations (OER) for TSHD master's degree programs. Where indicated, this addendum replaces the provisions of the 2021–2022 EER.

### 2. Modification of pre-Master's program in Data Science and Society

#### *Article 5.4 Duration of pre-Master's program*

Current text:

For the pre-Master's tracks leading to the Master's program in Communication and Information Sciences and to the Master's program in Data Science and Society

1. Students enrolled in the pre-Master's program of 30 ECTS must complete the pre-Master's program within one year, calculated from the entry moment of their first enrollment.
2. The examinations of the mandatory units of study belonging to the pre-Master's programs referred to in section 1 are offered a maximum of four times a year, twice in the fall semester and twice in the spring semester. If students have not been able to complete these mandatory units of study with a satisfactory result after participating in two examinations, they must re-take and complete the corresponding unit(s) of study in the other semester. Students who did not pass the electives of the fall semester in two examinations are entitled to register for electives of the spring semester and vice versa.
3. Students who have not met the requirements set out in paragraphs 1 and 2 may no longer register for units of study for the same program.

Amendment: Section 5.4 **does not apply** to the pre-Master's program Data Science and Society.

### 3. Implication amendment.

The restriction to complete the pre-Master's program within one year does **not apply** to Data Science and Society.

### 4. Effective
