

## **Additional rental conditions beach pitch Tilburg University Sports Center**

Additional conditions to the rental conditions Tilburg University Sports Center.

### **Tents/canopies**

Tents/canopies may not be placed on the beach field (no exceptions possible). Parasols may be used to create shade.

### **BBQ**

A barbecue is not allowed on/around the beach field. However, this can be provided by the hospitality operator of the Olympia Sports Bar/O'café. The hospitality operator can apply to the Tilburg University Sports Centre for a bar/vending point between the beach field and the Sportweg, working with belly blades. There may be a maximum of one catering outlets located between the pitch and Sportweg. Contact details of the hospitality operator of the Olympia Sports Bar/O'café can be obtained from the Tilburg University Sports Center's Rental Department staff member.

### **Signage**

There should be proper signage to toilets, etc., to deter undesirable behaviour, such as urinating in public.

### **Seating areas around the beach field**

Seating areas may be created (in the grass), but full terraces are not intended.

### **Sound amplification**

Broadcasters and quiet background music are allowed, under the conditions set out below, provided it does not exceed 75 db.

- During an Avans school day, the use of music and/or broadcasting is NOT permitted.
- On weekends or public holidays, when the Avans school is closed, a sound/music system may be used (maximum 75 db).
- The organisation (or the hospitality operator, if he/she provides the sound) is responsible for setting/enforcing the sound level. Should the noise limit be exceeded, the sound system will be switched off by the site manager after 2 warnings.
