

# International Career Café | Online edition

Online event for international students & alumni in the Netherlands

November 19, 03:00-05:00 pm | International Career Café

### Let's build an international network

How do you start a search year through Tilburg University? What are some of the best practical tips in the search for a job position? Where do Tilburg University alumni work? But most importantly, what questions do you have on top of mind for our panel members? Let's start a conversation together and help each other out!

**Join us** on a voyage of discovery and find out how international alumni have preceded the Dutch labor market after they graduated and what recruiters of companies in the Netherlands, that hire internationals, find important. Sign up, submit a question and get inspired!
