1 TILBURG WEST

Type of area

Relatively safe area around the university. A lot of students live here because it is close to all the university facilities such as the sports center and the library. In Tilburg West you will also find a larger shopping mall and a hospital.

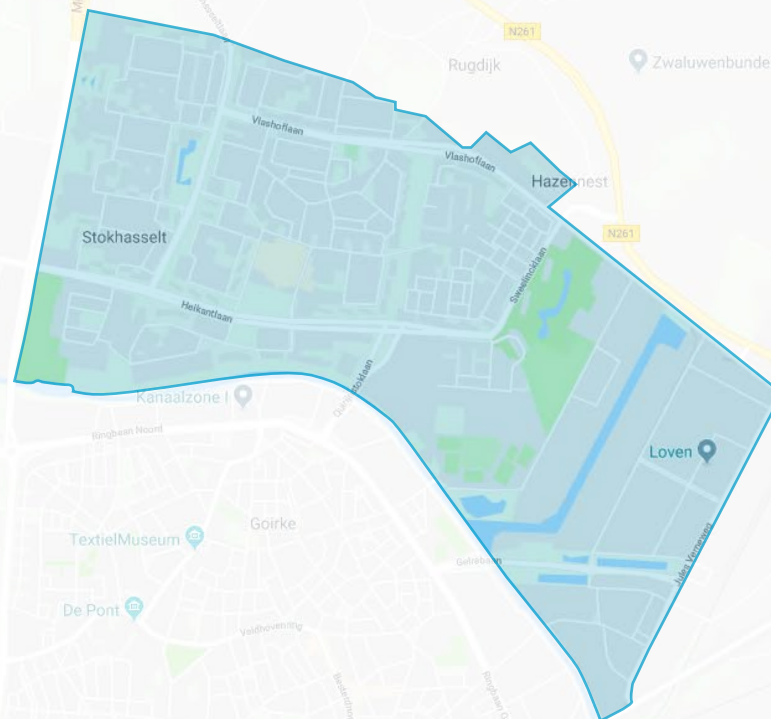

| | |
|----------------------------------|---|
| Bike distance to the University: | 0 - 5 min |
| Bike distance to the center: | 10 - 15 min |
| Type of housing available: | Reserved accommodation for exchange students, Private student housing, Apartments |
| Availability of student housing | ***** |

2 TILBURG NOORD

Type of area

Less safe area in Tilburg, largely residential with families with hardly any students. There is a larger mall and a brand new swimming pool. The area is quite far from the university and the city center. We do not specifically recommend that you search in this area because of possible safety concerns.

| | |
|----------------------------------|-------------------------------------|
| Bike distance to the University: | 15 - 20 min |
| Bike distance to the center: | 15 - 20 min |
| Type of housing available: | Private student housing, Apartments |
| Availability of student housing | * |

3 TILBURG OUD NOORD

Type of area

Safe area, which is mostly residential with loads of student housing. There are basic shopping options such as supermarkets and drugstores next to the several gyms and large parks.

| | |
|----------------------------------|---|
| Bike distance to the University: | 10 - 15 min |
| Bike distance to the center: | 5 - 10 min |
| Type of housing available: | Reserved accommodation for degree students, Private student housing, Apartments |
| Availability of student housing | ***** |

4 TILBURG CENTRUM

Type of area

This is the true city center of Tilburg! It is a relatively safe area with a lot of leisurely activities such as bars, restaurants and a large shopping street. Here you will find apartments and student houses but not a lot of families. Living here means that you will often have a room above a store or a bar.

Bike distance to the University:

8 - 12 min

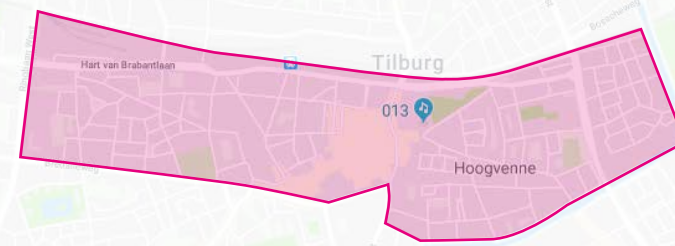

Bike distance to the center:

0 - 5 min

Type of housing available:

Reserved accommodation for degree students,
Private student housing,
Apartments

Availability of student housing

5 TILBURG OOST

Type of area

Generally safe area close to the city. The area is very residential with a lot of families and not a lot of students. Here you can find the basics such as appartements and a gym but also the up and coming area Piushaven, a harbor area filled with new restaurants and coffee bars.

| | |
|----------------------------------|--|
| Bike distance to the University: | 12 - 17 min |
| Bike distance to the center: | 5 - 10 min |
| Type of housing available: | Private student housing, Apartments |
| Availability of student housing | *** |

6 TILBURG OUD ZUID

Type of area

Relatively safe area close to the city. It has a shopping area and many food places. It is also close to the Stappegoor pool. This is definitely an area in which a lot of students live, so there are a lot of options available here.

| | |
|----------------------------------|---|
| Bike distance to the University: | 8 - 12 min |
| Bike distance to the center: | 5 - 8 min |
| Type of housing available: | Reserved accommodation for degree students, Private student housing, Apartments |
| Availability of student housing | ***** |

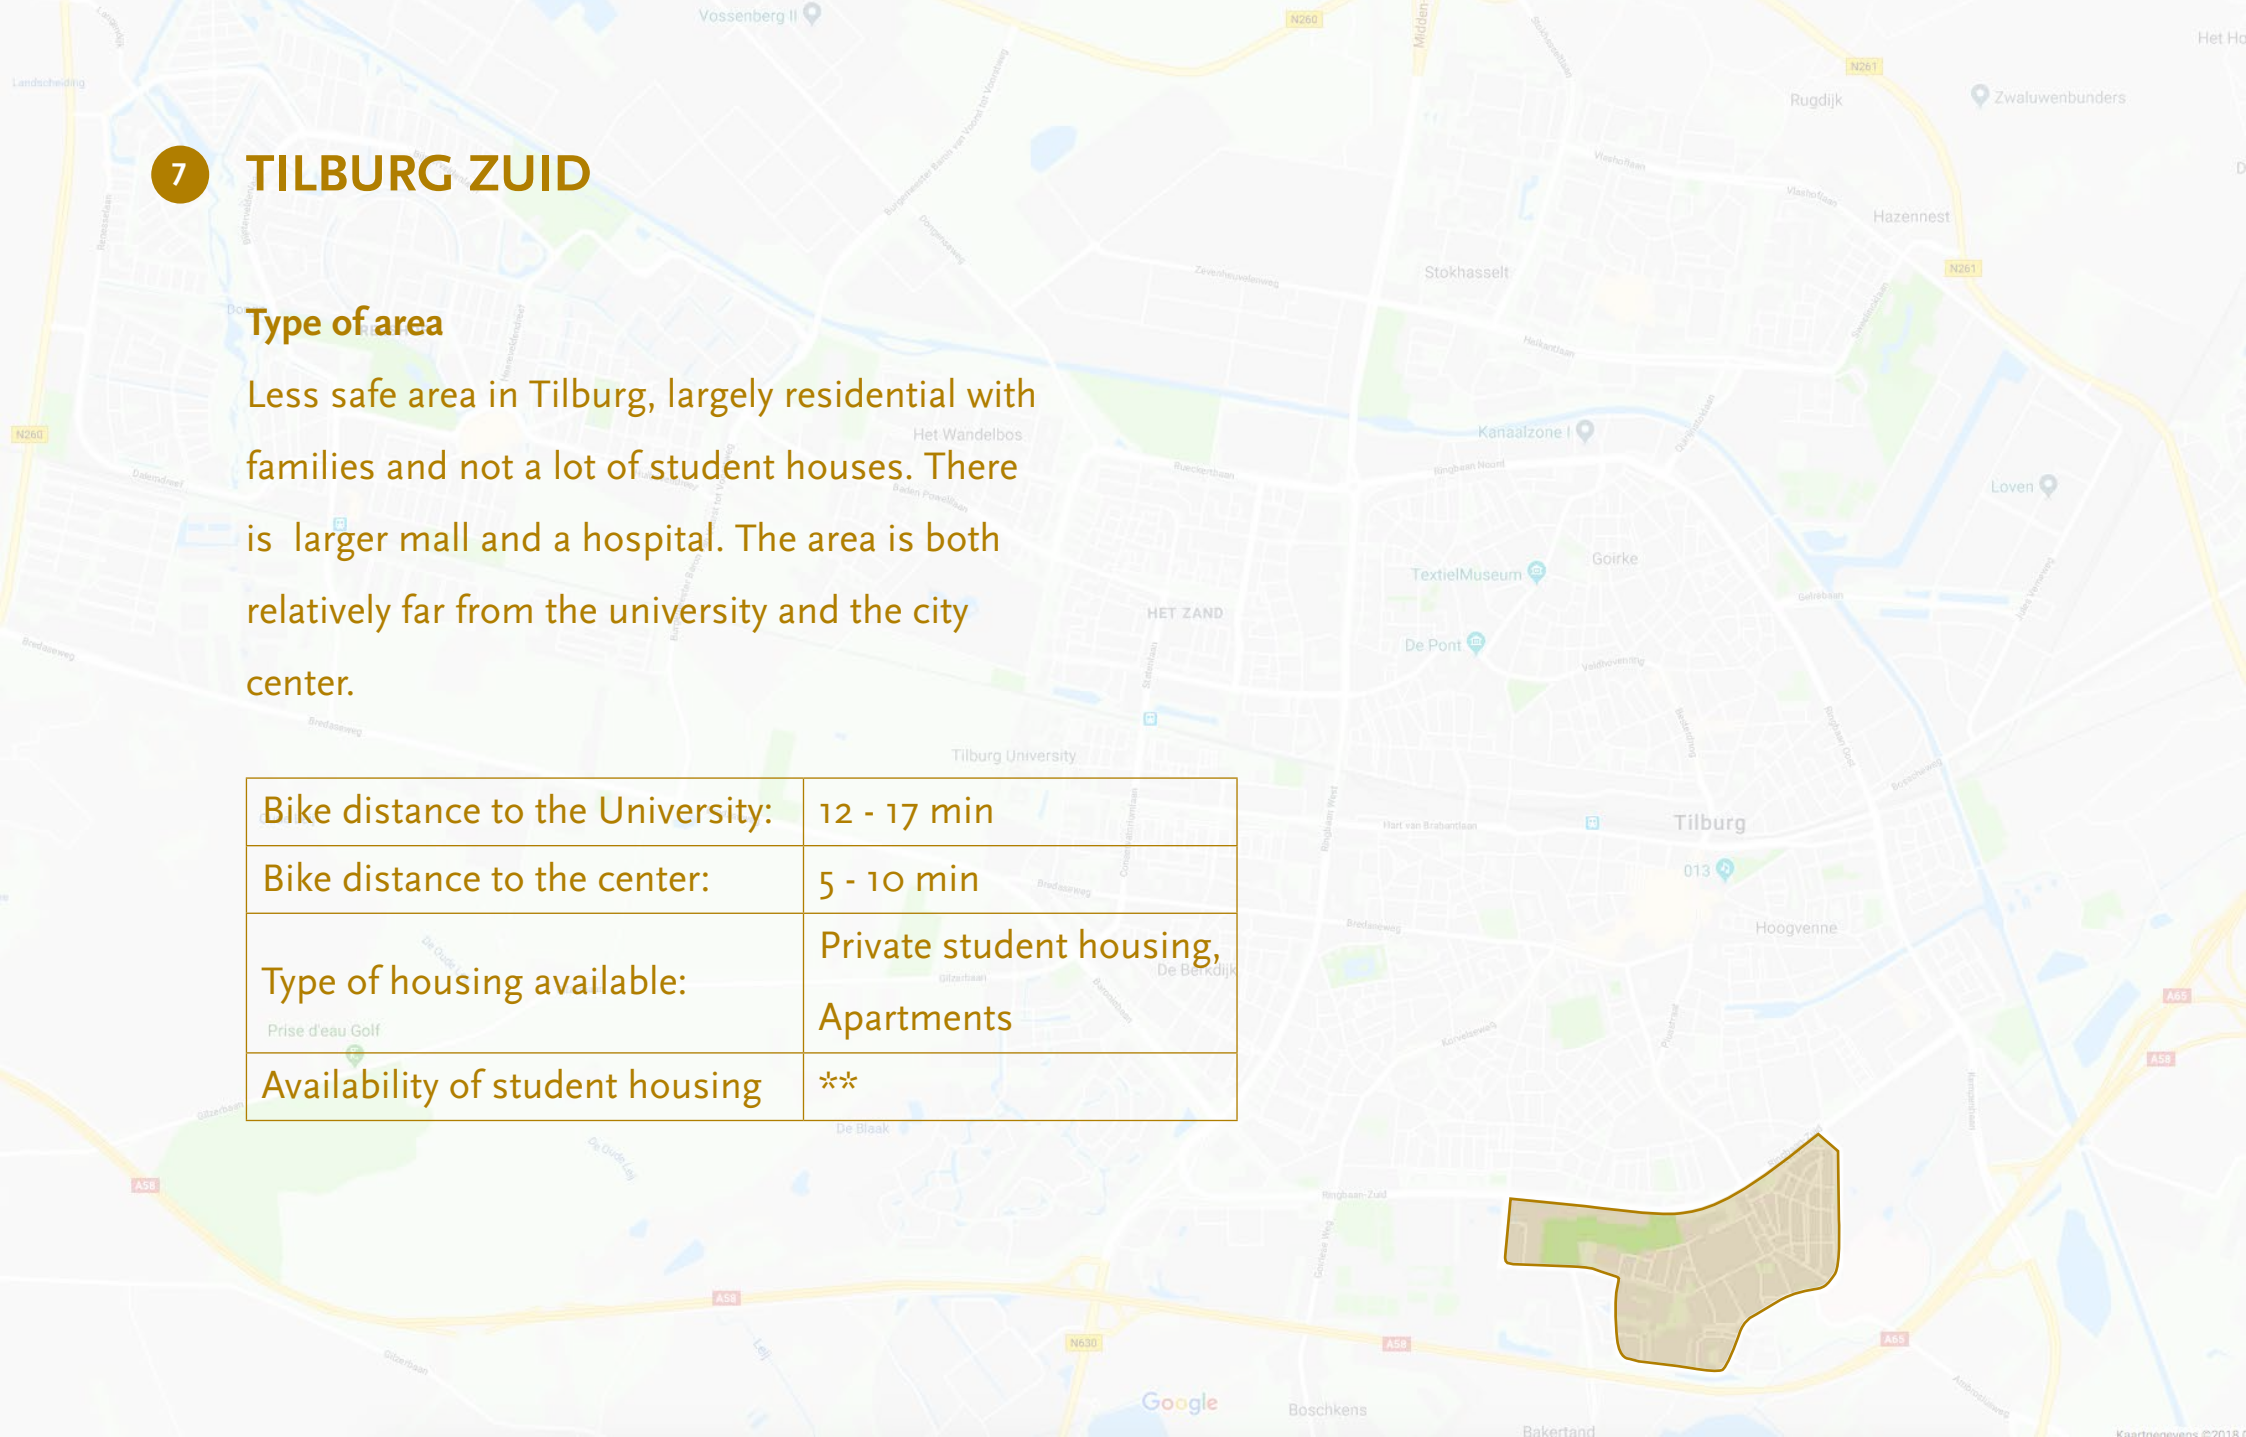

7 TILBURG ZUID

Type of area

Less safe area in Tilburg, largely residential with families and not a lot of student houses. There is larger mall and a hospital. The area is both relatively far from the university and the city center.

| | |
|----------------------------------|--|
| Bike distance to the University: | 12 - 17 min |
| Bike distance to the center: | 5 - 10 min |
| Type of housing available: | Private student housing, Apartments |
| Availability of student housing | ** |

8

TILBURG REESHOF

Type of area

Residential area with a lot of families. Safe but quiet, far from university and the city center. It has a large shopping mall, a pool and a lot of other facilities. However, there is hardly any student accommodation.

| | |
|----------------------------------|-------------|
| Bike distance to the University: | 15 - 20 min |
| Bike distance to the center: | 20 - 25 min |
| Type of housing available: | Apartments |
| Availability of student housing | * |

9

TILBURG BLAAK

Type of area

Very safe area with a lot of family residences. It has everything what you would expect from such an area, basic shopping and nice surroundings. However, there is not a lot of student accommodation available in Tilburg Blaak.

| | |
|----------------------------------|-----------------------------------|
| Bike distance to the University: | 8 - 12 min |
| Bike distance to the center: | 10 - 15 min |
