REAL IDEAS → REAL SOLUTIONS

Prioritizing students is a commitment to excellence.

Hence, at TEMPO, we have concrete plans that address issues affecting students across TISEM such as:

- Fair exam scheduling during train strikes or disruptions
- Increased availability of high-quality exchange opportunities and honours programs
- A more engaging curriculum with guest speakers, study visits and technological integration
- Alumni platform aimed to connect students with a diverse community of graduates
- Regular and constructive feedback on exam performance to improve grades
- Availability of lecture recordings to fit all student learning styles
- Provision of essential facilities such as microwaves in all buildings

We have carefully listened to your concerns. Your
