OUR CAMPUS
GREEN SPACE & AN INTERNATIONAL COMMUNITY

ABOUT TILBURG

Large enough to find plenty to do, but still small enough to run into people you know, Tilburg is an idyllic, entrepreneurial and cultural city with world-class public institutions and a calendar packed with a variety of public events. It’s a true university city, too: with a population of 30,000 students, 1 in 8 people in Tilburg is a student!

From the city’s public library (lochal.nl) that won the 2019 World Building of the Year Award, to museums (depont.nl) and the surrounding nature, there is much to see and do if you have time between enjoying Tilburg’s ‘Burgundian lifestyle’ in one of its many cafés, bars and restaurants (vvtilburg.nl). In addition, travelling on the weekends could not be easier. With booming cities like Rotterdam, Amsterdam, Brussels and Paris just a short train or car ride away, your travel calendar will fill up quickly.

CAMPUS LIFE

With our green campus designed to be fast and easy to navigate, you will be able to stroll between the library and your lecture hall or your favorite café in no time. All university buildings are within walking distance from each other, and are set amongst landscaped gardens and open green spaces. Our campus is home to over 17,000 students.

A NOTE ON CORONAVIRUS MEASURES

Like most universities globally, the coronavirus pandemic has had an impact on campus life and education at Tilburg University. We are continuously monitoring the global situation, including relevant measures and travel restrictions, and will organize exchanges in the 2021-22 academic year accordingly. Of course, exchange students’ safety is our priority.

As it is not yet clear how the pandemic will continue to affect us in the 2021-22 academic year, it is possible that the dates mentioned in this fact sheet will change, and that events and education may be held online instead of on our campus. We will endeavor to keep all affected partner universities and students updated as more details become known to us.

BALANCE BETWEEN SEMESTERS

Due to the high number of incoming students in the fall semester (August – January) and, consequently, a high demand for student housing during this time, we prefer an equal balance in nominations from our partners across both semesters.

HOUSING

tilburguniversity.edu/education/exchange-programs/practicalissues/beforearrival/accommodation

Tilburg University itself does not offer on-campus student accommodation. However, WonenBreburg offers furnished accommodation to international students through yourroomintilburg.com. The estimated monthly rent lies between €360 and €400. Students must pay the rent for the entire semester at the time of registration – this applies to both fall semester and spring semester students. Most of the rooms are in the Verbs facility, very close to campus. In addition, there are a small number of rooms available at the Goirkestraat facility for full-year exchange students. Once all available rooms have been allocated, students will receive directions and instructions how to find accommodation through other platforms and agencies. We often receive questions if accommodation is available at Talent Square. Unfortunately, this accommodation is only available to degree-seeking students, and therefore not offered to exchange students.

INSURANCE

tilburguniversity.edu/education/practicalissues/beforearrival/insurances

All students are required by law to be covered by appropriate health insurance for their full period of stay in the Netherlands. We strongly recommend students to also have appropriate liability and travel insurance. Students are advised to purchase insurance before their arrival in the Netherlands. It is students’ own responsibility to purchase insurance. Tilburg University recommends Aon+ Student Insurance: aonstudentinsurance.com/students/en/

MENTOR SYSTEM
I*ESN Tilburg, our international student organization, organizes a mentor system for incoming international students. I*ESN also organizes regular activities for all international students and internationally-minded Dutch students at Tilburg University. I*ESN runs a dynamic international hub in Tilburg city center.

ORIENTATION: REGISTRATION DAYS, PROGRAM INTRODUCTION & T.O.P WEEK

Tilburg University organizes a Registration Day to offer a warm welcome to Tilburg. On this day, we provide students with all kinds of information and amenities that will contribute to a relaxed and organized start to life in Tilburg. The Study Abroad & Exchange team runs a mandatory Program Introduction (PI) for all incoming exchange students during the optional Tilburg Orientation Program (TOP) week. During the PI, we welcome all exchange students. Students will get to meet the Study Abroad & Exchange Team and their mentor, and receive more information about, for example, how to make use of our digital student environment as well as our academic and cultural environment. We recommend participation in the TOP week to get the full introduction to student life in Tilburg!
