Workshop
in honour of

Reinhard Muskens

Tilburg, 16 December 2013

Synopsis

The Tilburg Center for Logic, General Ethics, and Philosophy of Science (TiLPS) is proud to announce that this year, we're not only celebrating Reinhard Muskens' 60th birthday, but also his 25 year anniversary at Tilburg University!

The invited speakers are going to give talks that relate to Reinhard's various areas of expertise.

Speakers

- Johan van Benthem
- Jan van Eijck
- Philippe de Groote
- Larry Moss (per video lecture)
- Yoad Winter
