

Symposium - Reducing agricultural greenhouse gas emissions & the role of law

Location: [Royal Netherlands Academy of Arts and Sciences, The Trippenhuis, Kloveniersburgwal 29, Amsterdam](#) (Johan Huizingazaal)

Date: 7 December 2023

09.00 Registration & coffee

09.15 Opening by the chair, *Jonathan Verschuuren* - Tilburg University

09.30 Regulating carbon farming in the EU, *Hideki Katagiri*, *Edwin Alblas* - Assistant professor environmental law, Wageningen University, *Josephine van Zeben* – Professor of law, Wageningen University

10.00 Barriers to the adoption of carbon farming policies in the EU, *Sam van Hoof* - Federal Climate Change Service Belgium

10.30 Challenges of an ETS for agriculture. Towards a policy package, *Krystyna Springer* - Institute for European Environmental Policy

11.00 Discussion

11.15 Coffee break

11.45 Implementing a market-based pricing scheme to reduce EU net AFOLU emissions, *Alan Matthews* - Professor Emeritus of European Agricultural Policy, Trinity College Dublin, *Frank Convery* - Adjunct Professor of Environmental Policy, University College Dublin

12.15 Pricing agricultural and forestry emissions: insights from contrasting approaches in Australia and New Zealand, *Fitsum Tiche* - Groningen University

12.45 Discussion

13.00 Lunch

14.00 The regulation of greenhouse gases in EU animal agriculture: the need to move away from a sectoral regulatory approach, *Alice Di Concetto* - Chief Legal Adviser, The European Institute for Animal Law & Policy and Lecturer in Animal Law, Sciences Po, Paris

14.30 Going beyond command-and-control measures to address agricultural GHG emissions – Exploring feasible pathways for introducing an Emissions Trading System for the agricultural sector in the EU, *Sophie Röhrl* - Central European University & Lund University

15.00 Discussion

15.15 Tea break

15.30 A legal understanding of the concept of environmental integrity for regulatory carbon market mechanisms for the agricultural sector, *Floor Fleurke* - Tilburg University

16.00 The complex regulatory space of an ETS for agriculture in the EU, *Michael Leach* - Tilburg University

16.30 Some conclusions and take aways from the symposium, *Valeria Forlin* - European Commission/DG Clima

17.00 Discussion

17.15 Closing & drinks
