Our founder Frits Goldschmeding

The logo for the Goldschmeding Foundation is a blue square containing the text "GOLDSCHMEDING FOUNDATION" in white, with "MENS • WERK • ECONOMIE" in a smaller font below it.

GOLDSCHMEDING
FOUNDATION
MENS • WERK • ECONOMIE

- Frits Goldschmeding founded the Goldschmeding Foundation in order to consolidate his contribution to society.
- His contribution consists not only of financial means, but also of an intellectual heritage and experience as an entrepreneur with impact on society at heart.
- The principles of this heritage, which Frits Goldschmeding adopted when establishing Randstad, form the basis of the Foundation's principles.

The Goldschmeding Foundation at a glance

- Founded in 2015
- Launched in 2016
- To contribute to a better world
- Based on our core values
- Agapè as the binding principle
- Support for projects in the field of People, Work, Economy
- Impact on society and scientific excellence
- Very long term perspective

Our core values

- To know, to serve, to trust
- Simultaneous promotion of all interests of all direct and indirect stakeholders
- Strive for perfection

are the same values that Randstad has been built on during the last 60 years

Our core themes

We support projects in the field of People, Work, Economy that will bring our vision for a better world closer.

When we believe the projects will contribute to a world in which people act with the interest of others at heart without forgetting themselves.

Our core themes

- Inclusiveness
- Green/circular
- Renewal/innovation

To know, to serve, to trust
