Contact the course coordinator for this option. B. Repeaters take the replacement course Strategy Analytics in unit 4.	Strategy Analytics	325132	Unit 4	
MSc Strategic Management							
325082	Organization Theory	MSc Strategic Management	This course will no longer be offered in 2016-2017. Options: A. Students who fail the course will be required to do two assignments in the fall: 1. Analyze a research paper which will be assigned to them and relates to one of the perspectives covered in sessions 3-7 (45%) 2. Write a final paper per the requirements/instructions for the course (Spring 2016) (55%) Any student who fails the course this semester, will have to submit both assignments and get a passing grade in each in order to get a final grade. Contact the course coordinator for this option. B. Repeaters take the replacement course Strategy Analytics in unit 4.	Strategy Analytics	325132	Unit 4	
MSc Quantitative Finance and Actuarial Science							
35M1C1	Financial Models	QFAS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Valuation and Risk Management. Please make sure to enroll for the right exam!	Valuation and Risk Management	325224	Semester 1	
35M1C3	Pension System Design	QFAS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Life Cycle Investment and Pension Systems. Please make sure to enroll for the right exam!	Life Cycle Investment and Pension Systems	390211	Semester 1	
35M3C1	Non-linear and Robust Optimization	QFAS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Optimization. Please make sure to enroll for the right exam!	Optimization	35M3C5	Unit 1	
35M2C2	Dynamic Models and their Applications	QFAS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters can take the replacement course Time Series and their Applications. Please make sure to enroll for the right exam!	Time Series and their Applications	35M3C6	Unit 3	
35M3C2	Management Science	EME	This course will no longer be offered as of 2016-2017. Repeaters can contact the course coordinator or repeaters can take the replacement course Supply Chain Analytics. Please make sure to enroll for the right exam!	Supply Chain Analytics	325227	Unit 3	
MSc Operations Research and Management Science							

35M3C1	Non-linear and Robust Optimization	ORMS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Optimization. Please make sure to enroll for the right exam!	Optimization	35M3C5	Unit 1	
35V5B1	Operations Research and Management Science in Practice	ORMS	This course will no longer be offered as of 2016-2017. For repeaters and February entrants of February 2016 the course will be offered for the last time in Fall 2016.				
35M1C1	Financial Models	ORMS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Valuation and Risk Management. Please make sure to enroll for the right exam!	Valuation and Risk Management	32424	Semester 1	
35M3C2	Management Science	ORMS	This course will no longer be offered as of 2016-2017. Repeater can contact the course coordinator or repeaters can take the replacement course Supply Chain Analytics. Please make sure to enroll for the right exam!	Supply Chain Analytics	325227	Unit 3	
35M2C2	Dynamic Models and their Applications	ORMS	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters can take the replacement course Time Series and their Applications. Please make sure to enroll for the right exam!	Time Series and their Applications	35M3C6	Unit 3	
MSc Econometrics and Mathematical Economics							
35M1C1	Financial Models	EME	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Valuation and Risk Management. Please make sure to enroll for the right exam!	Valuation and Risk Management	32424	Semester 1	
35M3C1	Non-linear and Robust Optimization	EME	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Optimization. Please make sure to enroll for the right exam!	Optimization	35M3C5	Unit 1	
35M1C8	Pension System Design	EME	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters and February entrants (February 2016) can take the replacement course Life Cycle Investment and Pension Systems. Please make sure to enroll for the right exam!	Life Cycle Investment and Pension Systems	390211	Semester 1	
35M2C2	Dynamic Models and their Applications	EME	This course will no longer be offered as of 2016-2017. For repeaters two exams will be offered in 2016-2017 or repeaters can take the replacement course Time Series and their Applications. Please make sure to enroll for the right exam!	Time Series and their Applications	35M3C6	Unit 3	
35M3C2	Management Science	EME	This course will no longer be offered as of 2016-2017. Repeater can contact the course coordinator or repeaters can take the replacement course Supply Chain Analytics. Please make sure to enroll for the right exam!	Supply Chain Analytics	325227	Unit 3	
MSc Economics							
310164	Seminar Health Economics	MSc Economics	Students who took the Bachelor course Health Economics (at TilU), are not allowed to take the course Seminar Health Economics. Students in the track Public Policy, need to replace this course with one of the Seminar courses from the MSc Economics.	One of the MSc Economics Seminar courses.		1 or 2
