

# PhD Workshop on Citizenship and Statelessness

**29 October - 1 November 2018, Tilburg University, The Netherlands**

Tilburg University offers a **4-day intensive workshop** for **early career researchers** working on statelessness, citizenship, and related issues. The workshop includes in-depth discussions with **leading experts** in the field, **peer learning** through a 2-day conference, **skills development**, and **network and community building activities**.

**Join the first ever PhD Conference, develop your skills and expand your professional network!**

**Registration deadline**

**Monday 4 June 2018**

The workshop also includes:

- research-oriented workshops
- publishing opportunity
- media and valorization training
